

NEW TO OUR CLUB THIS YEAR

“INDOOR SHORT MAT BOWLING”

THE SPORT:

Short Mat bowls is an indoor version of lawn bowling played on a 45 foot long x 6 foot wide mat with regular lawn bowls, and a heavier jack.

The game is played by rolling the bowl along the mat in an attempt to get as many bowls as you can close to the jack than those of your opponent. Unlike lawn bowling however, these bowls have to negotiate a small wooden block placed in the middle of the mat. If you strike the block, or roll your bowl off the delivery mat, your bowl is considered “dead” and is removed from the game.

JOIN US:

We encourage current members and potential new members who have never bowled before to participate together with coaching sessions before making a membership decision. For the convenience of new bowlers the club is able to supply bowls for their first season. Short mat bowls caters to everyone from youngsters to active seniors and there are programs for beginners of all ages and abilities.
